KINGS CHURCH

ANNUAL REPORT

2024-2025

Letter From Pastor Brent

PSALM 71:14-17

"As for me, I will always have hope; I will praise you more and more."

I've had the privilege of serving as the Senior Pastor of King's Church since 2012, and with each passing year, I've noticed—and noted—that God's goodness, faithfulness, and fruitfulness continue to abound in our midst more each year. Every year, I look back in awe—and 2025 is no exception.

I know I may sound like a broken record, but once again, God's grace abounds. I'm praising Him for the ever-growing evidence that He is not just sustaining His Church, but building it—with increasing power, depth, reach, and glory flowing from His Presence.

This year has continued the now-familiar trend: God pouring out more and more of His blessing on our community and ministry. We've seen Jesus meet people in breathtaking ways—through salvation, healing, deliverance, and fresh calls to faith and mission. Week after week, story after story has emerged—stories of breakthrough, restoration, repentance, and renewal. It's been beautiful. It's been humbling. It's been unmistakably God.

The Lord is the light
and my salvation

When the psalmist says, “I will praise you more and more,” it resonates deeply. The more we see His goodness and experience His Presence, the more there is to praise. The more we walk with Him, the more we realize just how near He is and how ready He is to move. And at this point, there is no doubt in my mind—Jesus is on the move in and through King’s Church.

By the numbers, this year has been extraordinary. More people have come to Christ. More have stepped into baptism. More have found community. More have engaged in mission. More have stepped into generosity and service. From our largest gatherings to our quietest prayer rooms, there is a growing hunger and a tangible sense that God is powerfully at work.

But this annual report isn’t just about stats—it’s a snapshot of the fruitfulness we’re experiencing as a church. It’s about learning to see what God is doing and celebrating Him for it. It’s about recognizing that we’re living in days that others once prayed for. And it’s about letting gratitude shape our posture and hope shape our expectations.

We’re not just building a church—we’re joining Jesus in building His Kingdom. And I believe we’re only getting started.

To every leader, volunteer, giver, prayer warrior, and faithful member of King’s Church: thank you. You are part of something so much bigger than any one of us. It’s a joy and an honour to walk this road with you.

On a personal note, Melanie and I are more grateful than ever to call this home. We’re surrounded by people who love Jesus deeply, love others sincerely, and are giving their lives to see His glory fill Atlantic Canada. We’re all in. And we believe the best is yet to come.

So let’s keep going. Let’s keep serving. Let’s keep giving. Let’s keep trusting. Let’s keep hoping.

There is much, much more to come.

In Atlantic Canada As In Heaven

**So that all people in all places embrace
the life-saving power of King Jesus.**

Code of Kings

FOR KING & KINGDOM

We surrender our whole lives in total allegiance to King Jesus and the advancement of His Kingdom.

BY THE SPIRIT

The Holy Spirit is the power at work in us to live the Kingdom life. Apart from Him we can do nothing.

LOVE THE WORLD

We serve a King whose extravagant love for this world compels us to engage it, not escape it.

BUILT TOGETHER

We thrive and flourish only as we are built together in Kingdom community.

ON THE WORD

We stake our lives on the Word of God, our unshakable foundation, food for our souls and our weapon in the Battle.

PRAYERFULLY FAITH-FILLED

In life and death, we are a praying-people of active, relentless, audacious faith in God.

DECIDEDLY DIFFERENT

We wholeheartedly embrace the culture of Heaven, and we fully expect our lives to reflect this Kingdom reality.

RADICALLY GENEROUS

We serve a generous King who gives without limit or condition. Out of His unending wealth, we give.

ON A MISSION

We are sent out to earnestly declare and demonstrate the Good News that Jesus saves.

EXCELLING IN HONOUR

We honour God as we honour others as it is currency in the kingdom of God.

Charlottetown

“ This past year has been an extraordinary one in terms of return on investment. Since launching our Sunday service at the French School and Community Centre in January 2023, we’ve grown from a post-pandemic missionary team into a thriving, self-sustaining church family.

We’ve seen people come to faith and be baptized—many with no prior church background—through our weekly presence at the school. Our OneNight monthly worship gatherings have united 12 influential PEI churches, with senior leaders regularly sharing the stage—something unprecedented in our region.

New faces continue to join us through conversions, returning prodigals, relocating believers, and those reconnecting with church. Our Sunday services, OneNight, Celebrate Recovery, Home Churches, Kids Camps, and the More Jesus Worship Café are all actively reaching and discipling people across PEI.”

Pastor Jonny Robertson

Halifax

“ It’s hard to quantify but it feels like an acceleration this past year in Halifax. It’s been our continued prayer as a location, “Come, Holy Spirit;” and God is responding. There are many things to celebrate from this past year - more people than ever are plugged into a group or a Home Church, both adult and youth Alpha were well attended, the multiplying of prayer rooms, the largest Easter weekend in our locations history and on and on. Praise the Lord for all of this! BUT it’s the increase of LOVE that gets me. A burning love for God is rising in hearts. The genuine LOVE for one another is palpable. We look more like Jesus than we did last year.

Pastor Seth Fancy

Saint John West

“ This year has been nothing short of miraculous. We’ve witnessed God move in extraordinary ways—through powerful baptisms, baby dedications, a youth ministry that’s doubled in size, and countless lives being transformed through Celebrate Recovery. God blessed us by securing our location long term—a game-changer that has unleashed full-scale, thriving ministry like never before.

We are deeply grateful for the family of passionate, Spirit-filled volunteers who serve selflessly, helping others walk in the same freedom they’ve found in Christ.

There is a fresh hunger for the Holy Spirit rising in our church—unlike anything we’ve seen before. Our prayer remains simple but bold: Come, Holy Spirit.

And we truly believe... this is only the beginning. With hearts wide open and ears tuned to heaven, we wait in expectation for all that God has next.”

Pastor Adam Brewer

One Church Many Locations

St. Stephen

“ This has been a remarkable year at Kings Church St. Stephen. We have witnessed God’s profound impact on many individuals, guiding them into a deeper, more personal relationship with Him. We have observed His power at work through the restoration of relationships, the transformation of lives, and instances of physical and mental healing. It is a true privilege to participate in this extraordinary movement of God within Charlotte County.”

Pastor Pete Stubbs

Valley

“ Long before Kings Church answered the call to serve the region of Atlantic Canada by multiplying healthy congregations, we were called to the Kennebecasis Valley. It’s been incredible to watch a church be so sacrificial and selfless - to see people reached in places where they do not live. And yet, because of God’s faithfulness, and the quality of his people who call Kings Church Valley home, we continue to see increase in community, church involvement, conversions, and all the other awesome kingdom fruit we signed up for in the first place! The Valley location is experiencing its most fruitful days of ministry. We have seen God moving in such powerful ways over the past year and I am excited to see what’s next for us as we aim to see Gods kingdom come in the Kennebecasis Valley as it is in Heaven.”

Pastor Brent Ingersoll

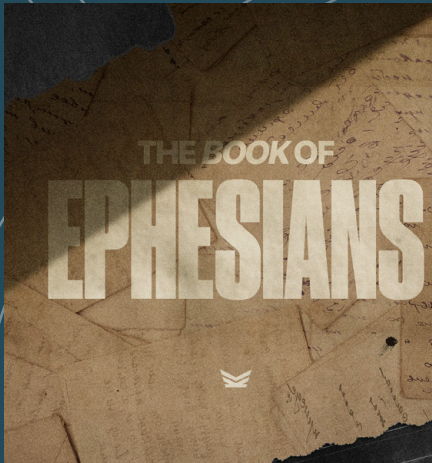

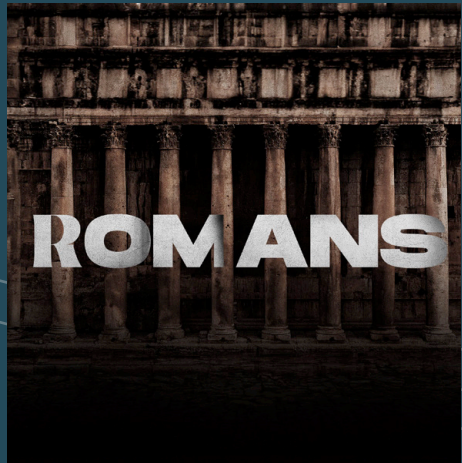

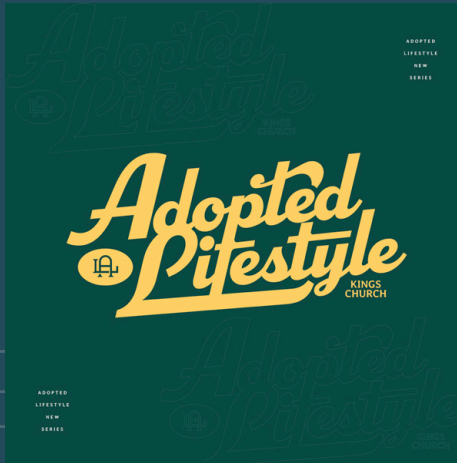

Online

“ It always amazes me that people from all over the world continue to find our online streams and resources! Through our weekly services and Pastor Chat feature, we are able to connect with people globally and help them encounter the life-changing power of Jesus. Ministries like Alpha and Home Churches have given people the opportunity to connect and learn more about who God is and how He wants to move in their life. We are excited to see how God will continue to grow this ministry and expand our reach to even more people around the world!”

“ Two congregants received an urgent call to visit their sister in the hospital—she was on life support, and doctors said she wouldn’t make it. Before they left for Fredericton, people gathered to pray for her healing. By the end of the day, she was standing at the foot of her bed, calling her husband to say she was going to be okay.

“ At the Encounter Conference, a woman began praying for the strength to forgive those who had once tried to take her life—and even prayed for their salvation. In that moment, God miraculously healed the back injuries she had sustained in that attack.”

“ After a powerful move of God’s presence, nine people gave their hearts to Christ—including three whose spouses had been faithfully praying for their salvation.”

“ God’s faithfulness was seen in a worship leader’s life as she underwent brain surgery. She came through with her memory and voice fully intact—and is now back to leading worship.”

“ A dying man reached out to Kings, hoping to reconnect with an old friend from the church. Not only did they reconnect—but that friend led him to Jesus before he passed away.”

Testimonies

- “ When my 9-year-old granddaughter asked me to serve with her at KC Kids, I couldn’t have imagined what a joy and blessing it would become. Getting to know the sweet little three-year-olds has been a delight, but the greatest blessing has been watching my granddaughter grow in confidence and leadership over the past year.”
- “ Kids are inviting their friends to KC Kids—and it’s making a big impact. What starts with a simple invitation often leads to entire families walking through our doors, many for the first time. It’s amazing to see how God uses the excitement and openness of children to draw whole households closer to Him.”
- “ At KC Kids, we’re watching children grow in faith as they not only ask for prayer for their friends and family, but also pray confidently for one another—trusting that God is listening. It’s amazing to see their faith come alive in such real and meaningful ways.”
- “ One of the sweetest parts of KC Kids is seeing seniors find a place to serve. It’s so special to watch them rocking babies to sleep, bringing comfort, love, and generations together in such a beautiful way.”

Testimonies

“ Being a part of King’s Academy has truly been a life-changing experience for me. It has transformed my walk with God, deepening my understanding of Scripture while also leaving me with a hunger to continue growing. While the classes have pushed me, I’ve been able to manage the workload and stay engaged. The teachers have been a huge blessing -knowledgeable, encouraging, and always willing to help. I look forward to every Wednesday.”

“ The Ministry Apprenticeship Program (MAP) is a foundational course designed to deepen your understanding of the Bible, theology, the Church, and your identity in Christ. With engaging teaching and practical coursework, MAP challenges you to grow and apply your faith in real ways.

It goes beyond Sunday church—equipping you to study Scripture, understand church history and theology, and serve through things like baptisms, communion, and pastoral care.

Whether you’re a new believer, a seasoned Christian, or already in ministry, MAP is a valuable investment in your faith journey and God’s Kingdom. What you gain will stay with you for life and echo into eternity.”

“ The MAPS course has been life-changing in my walk with God and in who I am as a person. I’m not the same person I was when I started, and I had no idea my relationship with the Lord could grow to this depth. I felt like a sponge, soaking up everything—knowledge, wisdom from our teachers, friendships within our class, personal growth, and most of all, a whole new level of intimacy with our Triune God. MAPS has been nothing short of a blessing. Whether you’re called to ministry, wanting to grow closer to Jesus, or simply looking to become a stronger disciple—this course is for everyone!”

“ When I felt called into ministry, I spent months praying and exploring options. After comparing programs, the Ministry Apprenticeship Program (MAP) stood out for its balance of hands-on ministry and solid theological training. Even living three hours away, the virtual option made it accessible.

From day one, I knew I was in the right place. The instructors—respected leaders I’ve long admired—are passionate about Jesus and equipping others. MAP has been one of the most life-giving and faith-deepening experiences of my journey. It’s truly been a gift.

“ I was nervous to open up to a group of women I didn’t know, but once we got started, it was amazing. God gave me the gift of being able to be vulnerable, and through Step Study, my anger toward Him was transformed into love. Today, I’m a grateful believer in Jesus.”
